## COLUMBUS DAY, 1892.

New York City May Celebrate It with a Grand Fete.

Two Bills Passed by the Assembly

Provides a Way of Observing It.

New York did not get the Columbian Expo-

Legislature two measures tending to that caused by a criminal operation, and advised legislature two measures tenuing to that caused by a criminal operation, and which should be interesting to every citizen of the great metropolis. They were passed yesterday by the Assembly, and will west Twentieth street station of the case, undoubtedly be passed by the Senate and ap-

proved by the Governor. The first bill provides for a celebration in this city of the quadri-Centennial of the Discovery of America by Columbus, and the Bardusch is a man of twenty-seven years.

bill reads as follows:

The People of the State of New York, represented to Senate and Assembly, do exact as follows:

Section I. The 12th day of October, 1892, being the four hundredth anniversary of the discovery of America, shall for all purposes whatsoever in respect to the presenting for peyment or acceptance and of the protesting and giving notice of the distance of the considered as the first produce and of the protesting and giving notice of the distance of the considered as the first produce and the second and considered as the produce of the considered as the payment on said day, shall be deemed to be presentable for acceptance and otherwise presentable for acceptance and otherwise due on the litst deemed to be presentable for acceptance and otherwise, due on the litst day of the week called the produce of the distance of produce and the latter sent for a doctor, who performed the operation on her, using the follow, and in purposes whatsoever in respect to the distance of the state of of the s

select and appoint "a committee of 100 citizens to conduct, manage and direct a celebration in this city of the four hundredth anniversary of the discovery of America."

The Mayor, President of the Board of Aldermen and three Aldermen to be selected by the
Board are to be members of the Committee of
One Hundred, ex office.

The Committee of One Hundred is given
power, in the name of the Mayor, Aldermen
and commonalty of the city, to make proper
provisions for the celebration.

Section 4 commands the Committee to meet
on the call of the Mayor within ten days atter
their appointment to organize for business.

The Committee shall have power to provide for an Executive Committee, which, subject to rules made by the Committee of One
Hundred, shall act in its stead when it is not
in session, and a majority of the Committee will constitute a quorum for the transaction

Mission and the uniortunate young
woman's bedside.

Asked if it was at the uniortunate young
woman's bedside.

Asked if it was at Mrs. Couch's house where
the operation was performed, the girl noded
her head. She pointed at Bardusch and deleared that he was her betrayer.

The proposers were then taken to court.
Bardusch admitted to the detective that he
sad been intimate with the girl, but said she
had been keeping company with other men.
He admitted giving her some money arter she
had been keeping company with other men.
He admitted giving her some money arter she
had been keeping company with other men.

in session, and a majority of the Committee will constitute a quorum for the transaction of business, except that it will require a two-thirds vote of all the members to make a contract for the expenditure of money, appoint an executive offser or officers or an Executive Committee.

The Committee of One Hundred may, however, by a two-thirds vote delegate to the Executive Committee the power to make contracts and make rules for its own government or that of its executive officer provided such rules do not conflict with those of the larger Committee.

The members of the Committee of One Hundred are to serve till March 1, 1893, or until their successors are appointed, which must be done within five days after the resignation of a member is offered.

The Committee is empowered, with the written consent of the Mayor to weeken

The Committee is empowered, with the written consent of the Mayor to use, from Oct. 8 to Oct. 17, such portions of the streets, avanues, squares and parks of the city as may be deemed necessary for the erection and maintenance of such structures for the celebration as may be approved of by the Mayor, Superintendent of Euidings and Fire Deartment. And the use of such public places solely for the purposes of parade and this celebration is declared by the law to be a public use, consistent with the public purposes for which the streets are held by the solely.

Bor, his mistress, cn April 18 last, was restanced by Judge Martine, in the Court of General Sessions to-day, to die in the electrical chair at Sing Sing during the week beginning May 16 next, a new trial naving been denied by the Court of Appeals.

By an error the Recorder at first first fixed the date as "Monday, May 13." He made the correction almost immediately.

Panning has been on the Tombs for nearly a year, and ever since his conviction, on June 17 last, has been confined in a cell in mur-

The Board of Estimate and Apportionment is authorized in the bill to appropriate a sum not exceeding \$50,000 for the use of the Committee of One Hundred in arranging for the celebration, in decorating the City Hall and other public buildings, a display of ireworks in several parks and public places and for other expenses. The Compitroller is directed to issue and sell revenue bonds of the city for the purpose of providing such sum as the Board of Estimate and Apportionment may appropriate for the purpose, and all buils must be presented to him for payment, signed by all of the members of an auditing committee of three appointed by the Committee of the payment of the bonds issued by the Comptroller.

Both acts are to take effect immediately upon their passage. The Board of Estimate and Apportionment

Hanover was a sovereign kingdom from 1814 to 1806. The monarchy was hereditary in the maile line. In 1806 Hanover became involved in a war with Prussia and was deleated, becoming a Prussian province.

The property of the King was sequestrated by the victor, and owing to the obstinacy with which the late King refused to renounce his rights to the throne of Hanover, Prussia has hitherto felt herself constrained to keep a firm grasp of the rich inheritance.

The Duke of Cumberland proclaimed his right to the throne on his father's death, in 1878, but negotiations inaugurated recently led to an understanding by which the Duke entirely renounced the impracticable position he had maintained in the face or moder Germany, and he will now receive the much dis-

many, and he will now receive the much dis-cussed Guelph fund.

Murderer Deeming Booted At but Not Lynched at Melbourne.

MELBOURNE, April 1.—This morning the teamer Ballarat arrived at her wharf and the nurderer, Deeming, was quietly brought

flimpse at the prisoner, but the route to the prison was strongly guarded by the police, and it would hardly have been possible for the excited people to take him from his cap-ters. The crowd indulged in hooting at Deeming, but beyond this there was no dis-turbance of any kind.

Shortly after he landed Deeming was taken to the Police Court, where he was formally charged with the murder of his wife at Wind The magistrate remanded him for a

Anarchist Ravachol Had a Permit to Obtain Cartridges.

PARIS, April 1.—It is reported that a regular perint has been discovered at the longings of Ravachol, the Anarchist, authorizing him to obtain 1,500 cartridges from the dynamite tores near the Bourse. The police are inquiring as to how he obtained the permit. M. Dresch, the Police Commissary who arrested Ravachol, and the restaurant keeper and waiter who betrayed him to the po have received menacing letters.

The Government at Melbourne is placing the man employed on the relief works on half-bline in order to give work to a greater number.
